4 CSR 263-2.030 Supervised Licensed Social Work Experience

PURPOSE: This rule defines supervised licensed social work experience and sets out the supervised experience requirements for licensed clinical social workers and licensed baccalaureate social workers.

(1) The supervisor must have met the requirements for an acceptable supervisor at the time the supervision was performed. Supervision of the applicant for licensure shall not begin, and will only be acceptable to the committee, after the satisfactory completion of the educational requirements as set forth in the rules promulgated by the committee.

(2) Acceptable supervised licensed social work experience has the following characteristics:

(A) A minimum of two (2) hours every two (2) weeks of individual face-to-face

supervision by the supervisor at the rate of no fewer than forty-eight (48) weeks per calendar year. However, individual face-to-face supervision may be consolidated for up to four (4) weeks for a total of four (4) hours of individual face-to-face supervision per four (4)-week period. These hours shall be included in the total number of supervised hours required in subsection (2)(B). Fifty percent (50%) of supervision may be group supervision. For the purpose of this rule, group supervision may consist of a least three (3), and no more than six (6) supervisees. The use of electronic communications is acceptable for meeting supervision requirements of this rule only if the ethical standards for confidentiality are maintained, and communication is verbally and visually interactive between the supervisor and the supervisee;

(B) The minimum acceptable supervised experience shall be three thousand (3,000) hours obtained in no less than twenty-four (24) and no more than forty-eight (48) consecutive calendar months. The forty-eight (48)-month time frame may include periods of nonemployment and/or part-time employment. The total time frame is calculated in consecutive months, not the employment within that period. Supervised experience toward the three thousand (3,000) required hours which is not within a consecutive forty-eight (48)-month period, is not eligible for submission toward licensure; and

(C) The practice of clinical or baccalaureate social work of the supervisee shall be performed under the oversight, guidance, control and full professional responsibility of the supervisor, preapproved by the committee, in compliance with all laws and regulations relating to the practice of social work. In the event the applicant fails to pre-approve their supervisor(s), or are applying through reciprocity, the committee may review the supervision for compliance and consideration for licensure.

(3) Upon completion of twenty-four (24) months and three thousand (3,000) hours of supervised social work experience, an application for licensure must be submitted pursuant to the rules promulgated by the committee. All applicants for licensure must remain under approved supervision until the license is approved by the committee.

4 CSR 263-2.031 Acceptable Supervisors and Supervisor Responsibilities

PURPOSE: This rule defines an acceptable supervisor and supervisor responsibilities.

(1) An acceptable supervisor for clinical social worker licensure is a Missouri licensed clinical social worker or licensed clinical social worker from another state whose licensure laws, as determined by the committee, are equivalent to Missouri. An acceptable supervisor for baccalaureate social worker licensure is a Missouri licensed clinical social worker or licensed clinical social worker from another state, or a Missouri licensed baccalaureate social worker or licensed baccalaureate social worker from another state, whose licensure laws, as determined by the committee, are equivalent to Missouri. The acceptable supervisor cannot be a relative of the supervisee.

The licensed social worker shall not supervise during the period the license is under discipline.

(C) A licensed clinical social worker holding an equivalent license in another state may supervise Missouri provisional licensed clinical social workers, registrants and applicants for licensure in that state but may not do so in Missouri since supervision is the practice of clinical social work according to sections 337.600–337.639, RSMo

(D) A licensed clinical social worker, or a licensed baccalaureate social worker holding an equivalent license in another state may supervise Missouri provisional licensed social workers, registrants and applicants for

baccalaureate licensure in that state but may not do so in the state of Missouri.

(2) The practice of clinical or baccalaureate social work of the supervisee shall be performed under the supervisor's control, oversight, guidance and full professional responsibility. This shall include all applicable areas of practice including but not limited to:

(A) General orientation of the setting's policies and procedures;

(G) A minimum of two (2) hours every two (2) weeks of individual face-to-face supervision by the supervisor at the rate of no fewer than forty-eight (48) weeks per calendar year. However, individual face-to-face supervision may be consolidated for up to four (4) weeks for a total of four (4) hours of individual face-to-face supervision per four (4)-week period. These hours shall be included in the total number of supervised hours required as set forth in the rules promulgated by the committee. Fifty percent (50%) of supervision may be group supervision. Should the contract be terminated before completion of the minimum number of hours required, the supervisee is responsible for negotiating a new contract and obtaining all evaluation and termination forms required to document prior supervision;

(I) Such a contract shall not be valid if the supervisor and supervisee have a relationship that could affect the employment or benefits of the supervisor, and the relationship could,

in any way, bias or compromise the supervisor's evaluation of the supervisee;

(J) When the proposed supervisor is not a staff member of the supervisee's agency, social work ethics demand that the proposed supervisor insure that the agency administration (or its representative) is in accord with the arrangements for supervision by a qualified licensed social worker supervisor. This is essential whether these arrangements are made by the agency or the supervisee and regardless of whether the agency contributes to financial compensation of the supervisor. The supervisor is responsible for securing agreement from the agency administration as to the purpose and content of the desired supervision and the supervisor's specific role, responsibilities and limitations. The supervisor is also responsible for learning agency functions and policies so that any supervisory suggestions are constructive and realistic within agency purposes and resources; and

(K) If supervision is terminated by either party, the supervisor is responsible for notifying the committee and submitting a termination form to the committee. Such termination form must be received by the Missouri State Committee for Social Workers within fourteen (14) days of termination.

(4) A licensed social worker assuming the role of supervisor may employ the supervisee in the supervisor's private practice setting.
